

Spring Allergy Season

ANNOUNCER: IT'S SPRING ALLERGY SEASON, AND THE MAKERS OF NON-DROWSY CLARITIN HAVE TEAMED UP WITH HGTV AND DESIGN EXPERT SABRINA SOTO. THEY'RE SHARING TIPS FOR CREATING AN ALLERGY-FRIENDLY HOME AND GARDEN, INCLUDING ADVICE ON CLEANING, DESIGNING AND DE-CLUTTERING.

SOTO, A LONG-TIME ALLERGY SUFFERER, CAN'T AFFORD TO BE DISTRACTED BY BOTHERSOME SYMPTOMS AS SHE JUGGLES LIFE AS A DESIGNER, TV PERSONALITY, AND REAL ESTATE AGENT. ALWAYS READY TO TACKLE THE NEXT PROJECT, SOTO HAS SEEN HER FAIR SHARE OF HOMES, GARDENS AND ALLERGENS.

SABRINA SOTO:

WHETHER IT'S REVAMPING AN OUTDOOR PATIO OR DOING A LIVING ROOM MAKEOVER - EVERY PROJECT IS A NEW CHALLENGE, ESPECIALLY WHEN MY ALLERGIES KICK IN. FROM GARDEN POLLEN TO DUSTY DRAPES AND DANDER FROM A FAMILY PET, I'M USUALLY SURROUNDED BY THINGS THAT GET ME SNEEZING WITH ITCHY, WATERY EYES. THAT'S WHY I USE CLARITIN®. IT HELPS ME FOCUS ON CREATING A DESIGN SPACE THAT I'M PROUD OF AND THAT MY CLIENTS WILL LOVE.
